

TFG Global Insurance Solutions Ltd.

We are a leading international insurance brokerage with access to the international insurance market, including Lloyds of London. TFG & its affiliates have become leading suppliers of insurance to companies operating in Iraq and other high risk zones. We have a worldwide customer base.

TFG Global Insurance Solutions Ltd. can search the market for you and/or your company's employees. We can obtain both individual and group plans. TFG Global offers health, evacuation and accidental death and dismemberment coverage in war torn countries in Iraq, Afghanistan and Africa - plans that cover passive war risk.

TFG Global Insurance Solutions Ltd. (TFG Global) has placed coverage for companies around the world who are involved in the reconstruction of Iraq. We have even been able to cover local Iraq nationals working for foreign firms.

TFG Global is a Canadian insurance brokerage that is employee owned and operated. We are a member of Advocis <http://www.advocis.ca>, the Canadian financial and insurance planners association and abide by their code of conduct. We have been in the insurance business since 1991. TFG Global is a recognized world leader in providing insurance to expatriates and companies operating in high risk regions with an excellent relationship with insurers. We only deal with underwriters and insurers of the highest reputation and financial strength, such as Lloyds of London.

If you are not sure about what coverage you should obtain, TFG Global can advise you of the standard practice which will meet your needs and budget.

All premiums are payable directly to the underwriter.
